

2010 Data Release Timeline

2010 Census to yield vital numbers for years to come

The census doesn't end in 2010. Although the collection work will be over, the task of sorting through the numbers and publishing them in usable formats will continue for years to come. Here is a timeline for the release of selected data. For more information, contact the Charlotte Region Information Services at (704) 936-5330.
